RESPONSE REQUIRED WITHIN 45 DAYS

Dear Motorist:

In surveying all the registered vehicles in Utah, we are unable to locate an insurance policy on the vehicle(s) listed below. It is possible that there is a change in the vehicle status, i.e. sold, transferred, no longer in service, etc. Everyone must abide by the mandatory insurance laws that protect us all. If it appears this vehicle does not continue to show uninsured in the event you are stopped by law enforcement, Therefore:

- **IF YOU DO HAVE INSURANCE:** Have your insurance agent fax or mail to the correct declaration page or equivalent and we will immediately update the database. Always reference the *policy listed below*.
- **IF YOU DO NOT HAVE INSURANCE:** You must purchase insurance immediately if this vehicle is being operated on public roads. Have your insurance agent fax or mail to the correct declaration page or equivalent and we will make certain your records are updated. We will also contact the agency with your insurance company to make certain they report it accurately. Always reference the *policy listed below*.
- **IF THERE HAS BEEN A CHANGE IN THE VEHICLE STATUS:** If the vehicle(s) is out of service, please complete and return the enclosed certificate. To report other changes call (801) 531-0364 and state the requested information. Always reference the *policy listed below*.

Thank you for your help. Remember, you must respond within 45 days to avoid further action. Have your agent fax the information to Insure-Rite, Inc. • (801) 531-0312, phone (800) 333-0854, outside the Wasatch Front call us toll free at 1-800-867-4187 or mail information to P.O. Box 3670, Salt Lake City, Utah 84110. If it is more convenient, you can always leave your phone number and we will return your call. We look forward to hearing from you.
